

Parramatta , NSW

3 Bedroom Unit Freshly Painted and Cleaned

This unit is actually well maintained by a great owner who looks after his tenants. It is being touched up, painted and cleaned right now, hence we have draft photos online until we can get better photos through the week!

This spacious three bedder has two bathrooms, a large balcony, great size dining/ lounge, air conditioned and as a modern complex- lift and car park services included in the building.

Master comes with an oversize room and built in, as well as ensuite.

Second bed has a built in.

3rd Bed is a larger room, no built ins. Plenty of room for cupboards or chest of drawers, ideal kids bedroom.

Great location to commute to and from work, but also just far enough from the hustle and bustle to be a quiet complex in a quiet location.

Many open homes this week as we will have this leased within the next few days. Enquire asap, and secure your unit today.
