Large Open Plan Unit - With Private Yard!

This spacious studio also has a self-contained yard. With plenty of space to make your own, this will not last long! It is in a great area, presents well and has all the features of a high end property.

In a great new and modern estate, this area features beautiful walking tracks, ponds, water features, tennis courts and so many more community facilities within the area. Right next to the local shops with plenty of business, its easy to grab yourself a coffee or great meal, access the gym, and many other services. Less than 100 meters to buses, close to local shops and an excellent central location to local shops, parks and medical centre.

This beautifully naturally lit granny flat comes with:
