Luxurious, Modern, Bright and White!

This spacious, top floor two bedroom unit features two bathrooms, great size dining/ lounge, air conditioning and as a modern complex- lift and car park services included in the building. The aspect perfectly fills the home with light.

The kitchen is the heart of the unit, with large bench tops- and ample space for a large family to cook, and store goods. The light filled apartment is well designed, allowing the kitchen and open space to flow to the dining and lounge room.

Outside, the huge private balcony merges inside and outside dining. With private access, plenty of space and excellent light, this private little oasis is the perfect break from apartment living.

Master comes with an oversize room with built in, as well as a mode
